Statement of no consideration of adverse impacts on sustainability factors

Due to Article 4(1)(b) of Regulation (EU) 2019/2088 of 27 November 2019 on sustainability-related disclosures in the financial services sector (also known as “SFDR”) Gro Capital currently does not consider adverse impacts of investment decisions on sustainability factors in the manner prescribed by SFDR.

In accordance with the requirements in SFDR Gro Capital is working to collect the required data for reporting to meet our consideration of principal adverse impacts of investment decisions on sustainability factors. It is our plan to comply at the end of 2021.
